Sounds like we are good to go. I will find out what we need to write up, and get that to you, then we just send it off to HQ and things should start happening.

Have you had any information from headquarters on the JD contract? What do we do next?
It appears MCarters attorney has copied another lawyer on this.

Jeanene,

It was a pleasure to speak to you yesterday. I've spoken to my client, and we have no problem with granting EPA access to the Off-Road Park. Please let me know some potential times so that we make sure we can have someone there. Thanks and have a good weekend.

Subject: Mark Carter

Ms. Peckham,

I am counsel for Mark Carter. I believe you spoke to him earlier this week regarding his off-road park. Could you give me a call at your convenience to discuss his matter further? Thank you very much and I look forward to speaking with you.
